

Petra Sitaru

Graphic Designer / Illustrator

ABOUT ME

Petra enjoys illustrating and designing stuff for money. Her approach to work is fun, personal and influenced by different disciplines, also speaking in the third persons makes her sound like a pretentious jackass. With a master's degree in fine arts she's accomplished nothing, but as a designer/illustrator she is definitely Charley Sheen winning.

EXPERIENCE

Designer at Typeform

02.05.2016 - Present

Typeform is a cloud-based application for users to create interactive and conversational online forms, surveys, and much more on any device.

Graphic Designer at OkapiStudio

20.02.2015 - 22.04.2016

With a concept driven mix of creativity and technology we help companies fine tune their brand and communication by carefully planning and executing each move. We are an up to date studio that creates interactive or print campaigns, application designs, web and mobile interfaces or industrial projects.

Freelance Designer at Golden Gekko

01.01.2015 - 02.02.2015

Golden Gekko is the leading cross platform mobile application and service provider in Europe and North America with 400+ apps, including many of the worlds largest brands.

One of Golden Gekko's unique advantages is GG Mobile App Framework and GG Server Platform enabling rapid, high quality, easy-to-use and cost efficient implementations for mobile

Freelance Designer at Fashiontv

01.01.2015 - 03.02.2015

FashionTV is a multi-media platform offering a review of global fashion and is independently owned and operated from the headquarters in Paris, London and Vienna.

Freelance Bitemark Solutions

01.05.2014 - 01.12.2014

Work hand in hand with Lead UX/UI Designer and the UI team to ensure that the design solutions are effective and efficient, creative and innovative, pixel-perfect and technically feasible, and that keep consistency across all devices.
